

Ubunchu Chapter 15

English Reading Aid

PublicDesert (github.com/publicdesert)

This document contains an english text translation for chapter 15 of the Ubunchu manga created by Hiroshi Seo. To make use of this translation you will need to purchase the Japanese original contained inside the Summer 2013 issue of Ubuntu Magazine Japan and put it side-by-side. The original is available for purchase on BookWalker and Amazon Japan.

For more information on this translation as well as translations for other chapters click [here](#).
